### **Water's Worth It™ Landscape Award**

July 9, 2015 is the deadline to enter into the City of Norman Water's Worth It™ Landscape Award, sponsored by the City of Norman's Environmental Control Advisory Board. This award will be presented to a resident of Norman for creative and attractive landscape maintenance and appearance while demonstrating wise water use. Conservation techniques and native or drought tolerant vegetation are greatly encouraged, as well as drip irrigation or rain barrel use, but neither is mandatory to enter.

A winner will be selected by the City's Environmental Control Advisory Board and featured in a local newspaper article. A City of Norman Water's Worth It™ Landscape Award yard sign will be placed in the winner's yard to encourage neighbors to follow suit. Direct questions or comments to Debbie Smith, City of Norman Environmental Services Coordinator, (405) 292-9731.

You may download a nomination form at [www.greennorman.org](http://www.greennorman.org) and submit your entry by email to [debra.smith@normanok.gov](mailto:debra.smith@normanok.gov) or mail Attn: Debbie Smith, City of Norman, P.O. Box 370, Norman, OK 73070.
